

## ABRAM BRYN GATES PRIMARY SCHOOL

### Year 3: Autumn Term: Friday Challenges (Homework) linked to Stone Age “The Boy with the Bronze Axe”

Dear Parent/Carer,

As well as reading regularly and practising spellings and times tables, we expect all children to have a go at their Friday Challenges and are more than happy if family members join in with the children to help them complete the challenge they have selected. The following challenges can be done in any order, but should **not** be attempted all at once. Use your Friday Challenge (Homework) Book to present your work. **REMEMBER: Do not let your presentation standards slip!** You **are** allowed/encouraged to ask anyone at home for help and to use the internet as long as your work is your own. **Ask an adult before making an internet search. Friday Challenge (Homework) books need to be in on Tuesday of each week.** Friday Challenges (Homework) will be monitored and work celebrated (in a variety of ways) to acknowledge the time and effort that has gone into the challenges, however books will not receive a written comment from teaching staff. Your child should write the date and underline it. They should then leave a line and write the challenge that they are completing that week and underline it. **For example:**

Monday 10<sup>th</sup> September 2019

<p>1) <u>Cave Art</u></p> <p>Make up your own story, it can be about anything you like but tell it through cave art pictures!</p> 	<p>2) <u>Stone Age Song</u></p> <p>Create your own song/rap about some of the facts you have learnt about the Stone Age.</p>	<p>3) <u>Time travellers</u></p> <p>Imagine that you have been whisked back in time to Pre-historic Britain. You have been allowed to take one person or one object from 2014. What or who would you take and how would you explain your choice?</p>
<p>4) <u>Stone Age Soup</u></p> <p>Design and bake your own Stone Age Soup.</p>	<p>5) <u>Living in the Stone Age</u></p> <p>Draw a picture of a Stone Age boy or girl. Add information to the picture. What did they wear? What did they do? What were their lives like?</p>	<p>6) <u>All about Dinosaurs!</u></p> <p>Produce a dinosaur fact file (Choose one dinosaur) with research facts including who found the fossils, where they were found and when.</p>
<p>7) <u>Super Stone</u></p> <p>Name the different types of stone used by Stone Age people. Describe what these stones were useful for and why.</p>	<p>8) <u>Stone age maths</u></p> <p>Stone age people did not understand numbers as we do. Archaeologists have found tally markings in caves that they think might be stone age counting. Can you come up with your own method of counting? You might want to choose symbols to mean certain amounts. Will you count in sets of 10 or will your counting system work in another way?</p>	<p>9) <u>Settlements in the Stone Age</u></p> <p>Research and find out about the settlement of Skara Brae. Put together some notes about your findings.</p>
